Dear Sir/ Madam,

RE: Donation Towards Authenticities Sri Lanka - CONNECT Initiative

It is with a great sense of gratitude that the management of Authenticities (Pvt) Ltd appreciates the financial assistance of US \$ 2,000/= provided by NPO Lamamithuru no Kai , Japan towards betterment of Rural Schools Infrastructure projects.

Authenticities " Connect " Initiative certainly recognize your commitment and efforts to develop rural schools in Sri Lanka benefiting the children to progress in their studies despite the challenging conditions they are faced with.

It is with the support and assistance such as yours that shoulders the burden of the parents, the school authorities to provide an environment, which fosters inspiration amongst these children.

We will be sending you regular updates on the projects we undertake to improve the standards in Education, Infrastructure and recreational facilities of Rural Schools in Sri Lanka.

Once again, we send you our sincere thanks to all your members of the Association.

Thank you

Yours faithfully

Shanitha Fernando
President
